We thank Marks Hall trustees for allowing us entry into the grounds of Marks Hall and access to the Glider Memorial site.

Marks Hall with outbuildings housing communications and support services.

Examples of the Nissan Hut style accommodation buildings.

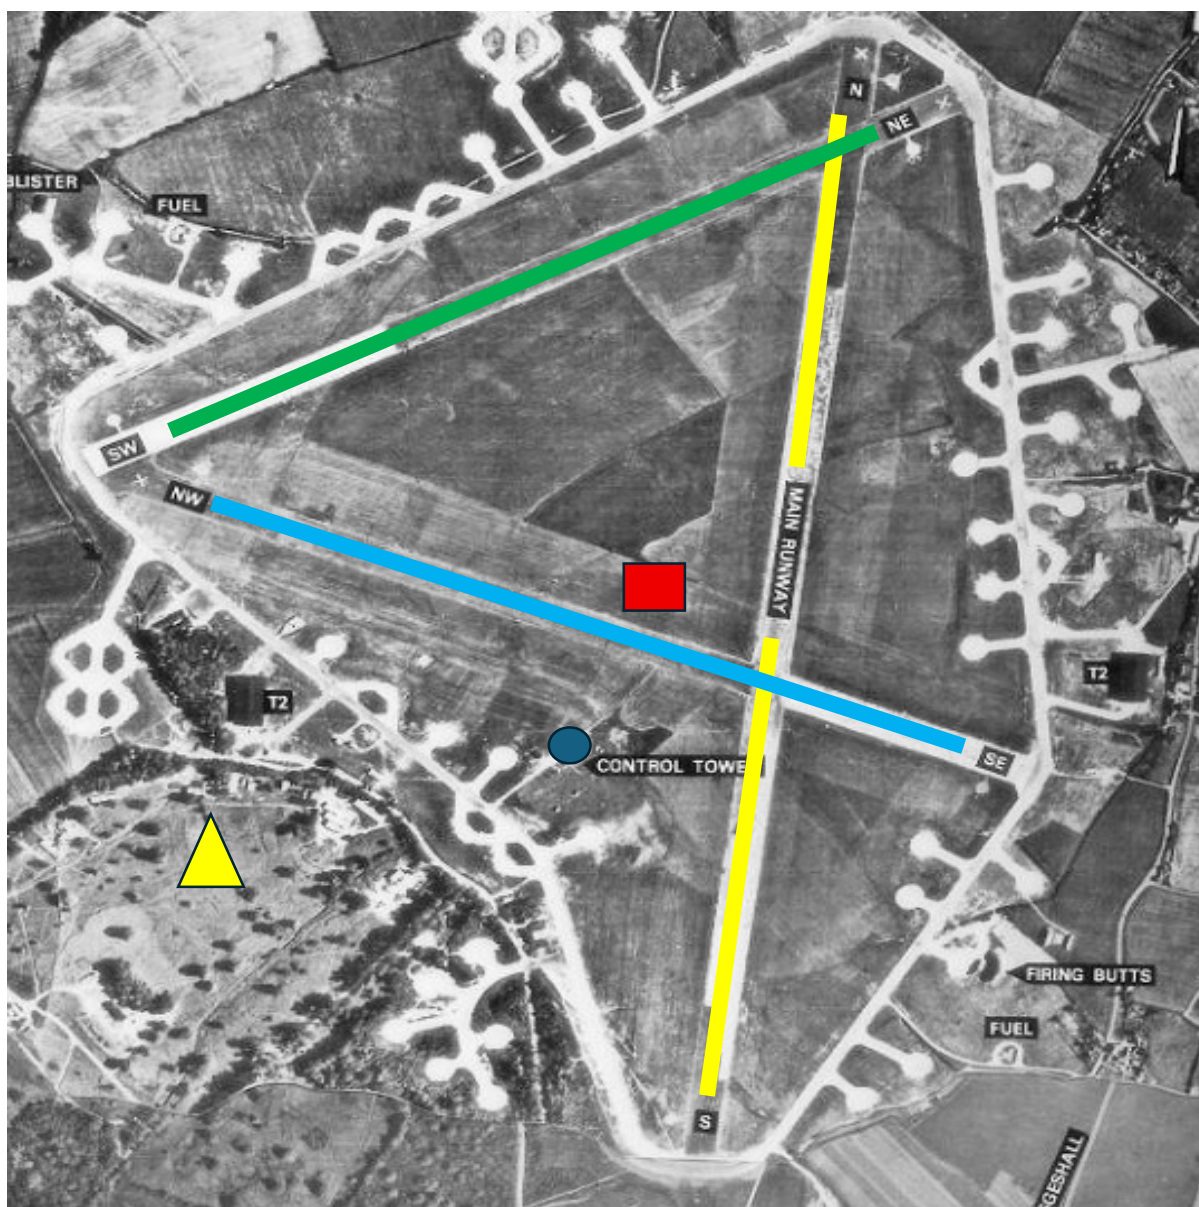

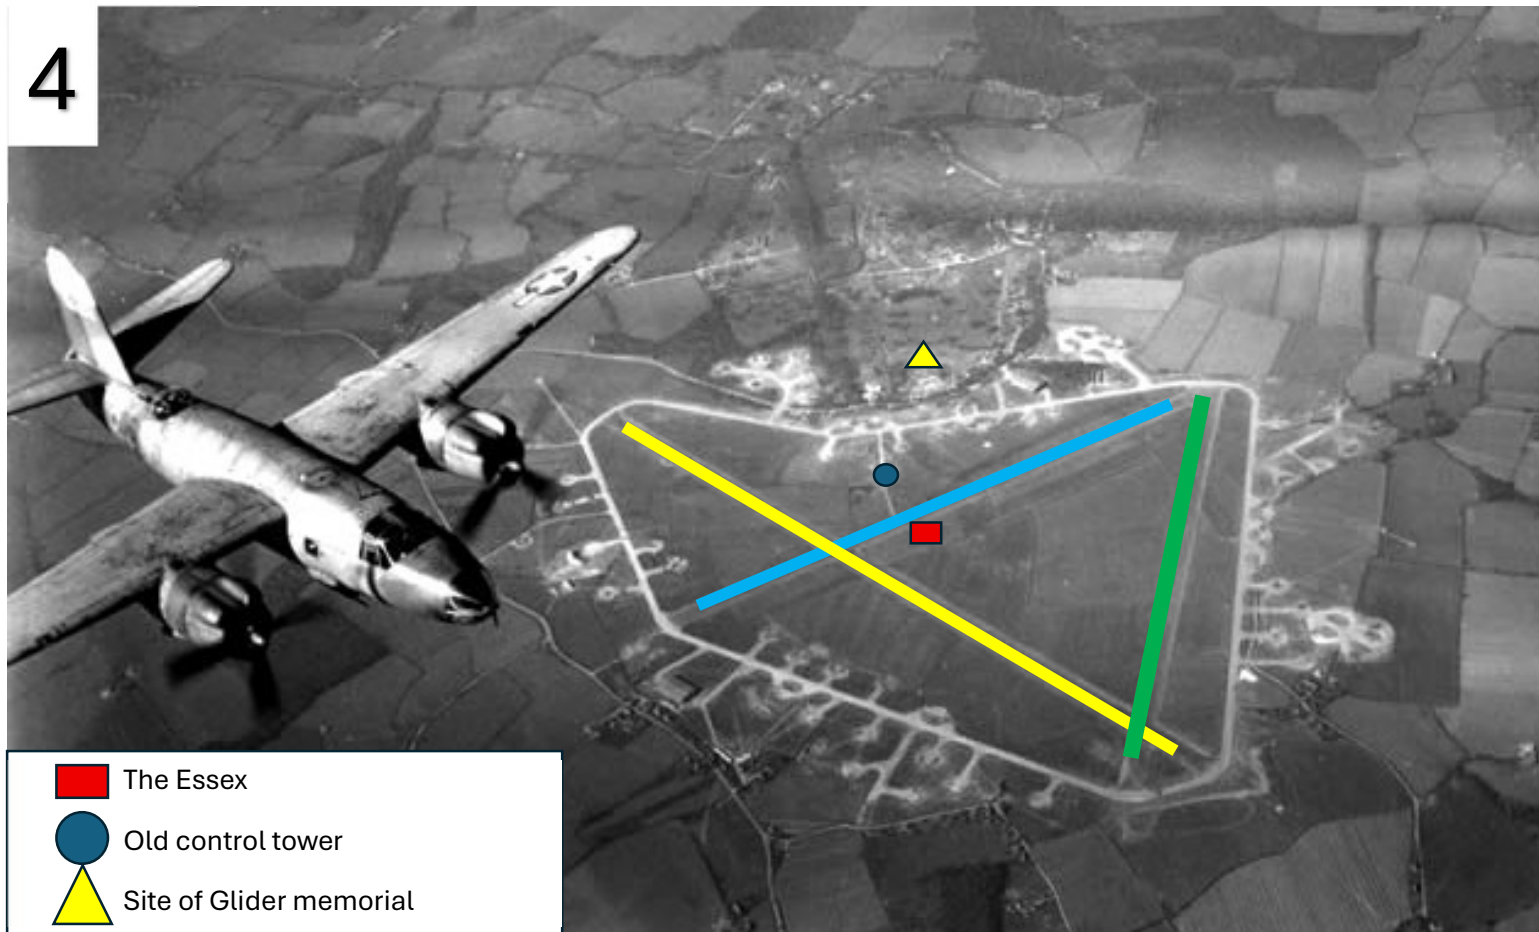

3

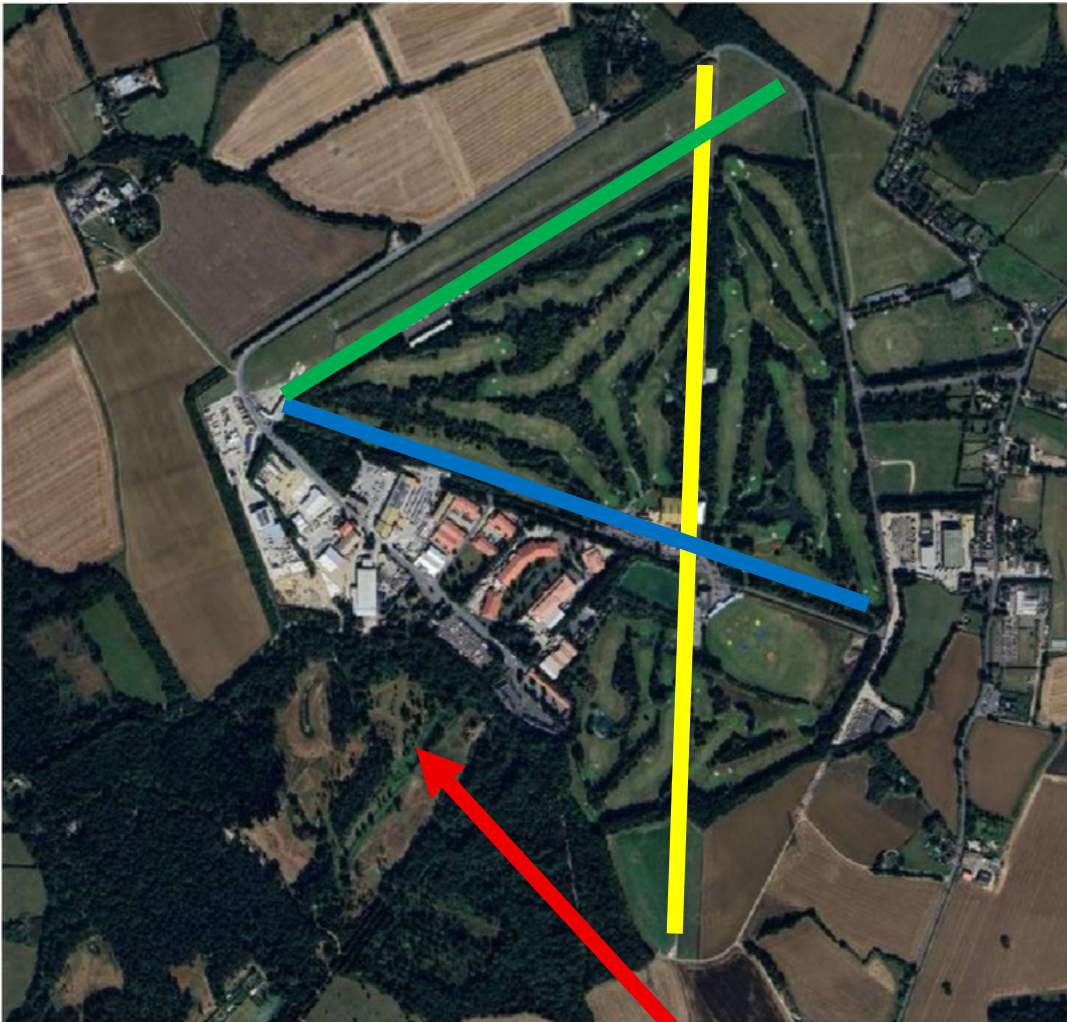

Earls Colne Control tower did not have the traditional "Greenhouse" tower.

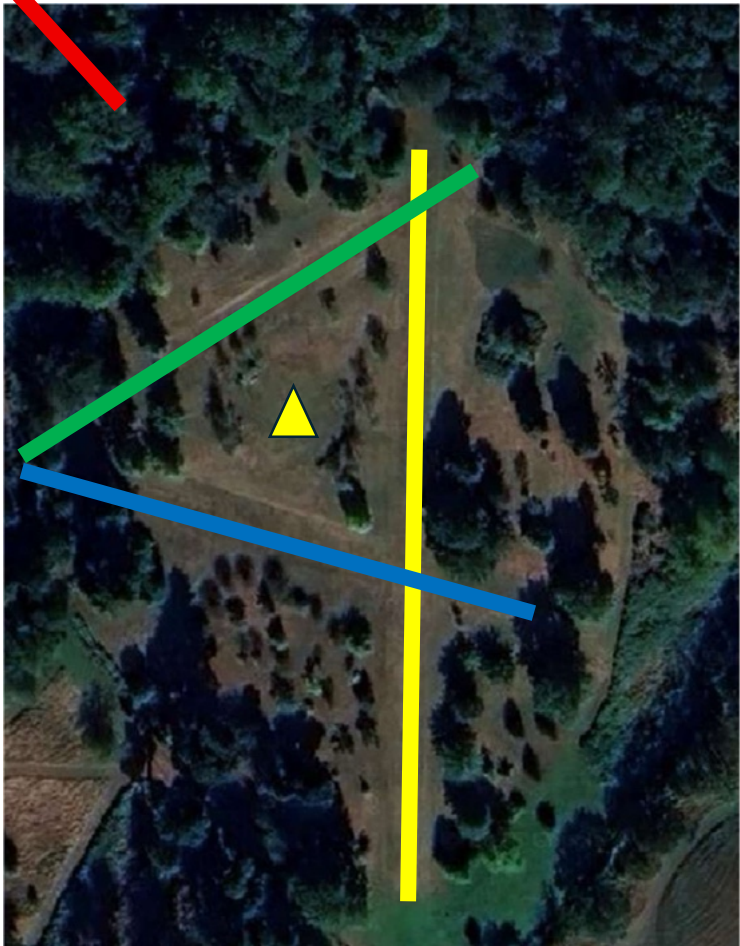

The airfield control tower as it stood in 1996 in use as a private dwelling. Sadly this building was recently demolished. This western side of the airfield now forms part of a thriving and expanding business park.

5

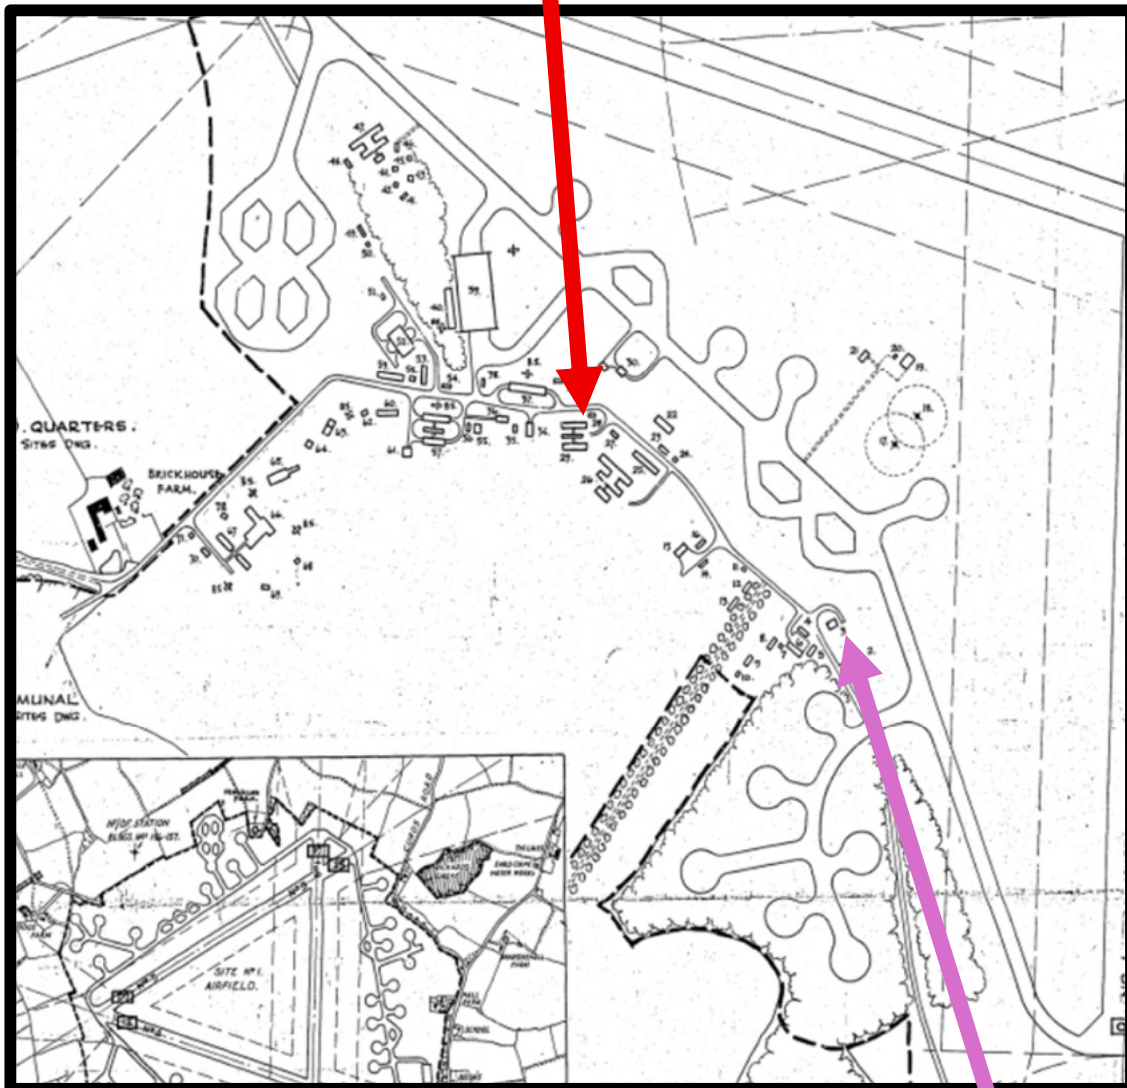

Glider Memorial Site

6

Loading/unloading ramps

Blast Shelter holding 30 personnel.
